

TRAVEL ROSARY

Catholic Library

From the Gert Kneeskern Collection
of audio CDs, books, cassette tapes, DVD & VCR movies, and music CDs.

As a devout Catholic Gert spent many hours reading, listening, and studying Catholic materials to be able to better live her faith and also share her faith with others. As I understand it, this is called a Lay Apostolate. Vatican Council II's *Constitution on the Church* called it a "special vocation" - making faith "present and fruitful" in those places where that can only be done by the laity. Those places would include the home, the neighborhood, and workplace. Gert's individual lay apostolate consisted of living her ordinary, everyday life - as a wife, parent, grandparent, worker, and friend - in the light of her Christian faith; while giving specific, verbal testimony to that faith when and where circumstances permitted.

It was my privilege to have been married to Gert for over 46 years before her untimely death in November 2013. I am now trying to find a way to carry on her individual lay apostolate. To do this, I am offering her collection of materials to any of you who may be interested, in hope that they provide you with the same inspirations and peace that they gave to Gert.

TRAVEL ROSARY

Catholic Library

How it Works

The condition of the materials found in this library range from very used to brand new.

To receive an electronic version of this catalog email me at info@travelrosary.com and I will send you the file.

The Excel (xlsx) document has a separate sheet for each category of materials: audio CDs, books, cassette tapes, DVDs, VHSs, and music CDs.

Using the Ref # in the left hand column you can email me the items you wish to borrow.

As there is only one copy of each item, you can request to be put on a waiting list for any material not currently available.

Items will be loaned out for two weeks and may be renewed for a longer period when needed.
